Dear friends:

Vancouver Wildlife is an association of outdoor enthusiasts, hunters, fishers and conservationists. Our group was founded in 1929 and is one of the oldest sports clubs in the state of Washington. In 1991 and again in 2010 the Washington Department of Fish and Wildlife awarded our group Sports Club of the Year for our volunteerism with youth activities and habitat restoration projects. We are proud of our long history of passing on to the next generation the experiences, we as a group, have enjoyed so much.

Vancouver Wildlife's current activities include the pheasant release project in cooperation with the Department of Fish and Wildlife. Annually, we release around 4,500 Chinese pheasants at appropriate sites for hunters in Southwest Washington. Also, we sponsor and fund a youth pheasant hunt at the Vancouver Lake lowlands release sites. In April of each year Vancouver Wildlife, along with other groups, raises money and organizes perhaps the state's largest *fish-in* at Kline Pond near Salmon Creek. Last year 1,500 elementary age youngsters participated in the event. Club members roll up their sleeves and help the kids learn to fish. Another big club project is the *Special Need Kids Annual Fishing Event* at the Merwin Hatchery every July.

In May of each year, Vancouver Wildlife holds its annual dinner and fund raiser for our families and guests. All moneys raised will be earmarked for youth activities and habitat restoration. An appropriate gift or donation from you for a raffle prize or an auction item would be greatly appreciated.

If you would like more information about this donation request, or about Vancouver Wildlife, please feel free to call me at 360-910-9806 or visit the website at [www.vancouverwildlife.org](http://www.vancouverwildlife.org).

Vancouver Wildlife is a non-profit organization. All donations are tax deductible and our number is EIN 91-1535241. An official donation receipt will accompany this introductory letter.

Thank you for your support.

Sincerely,

Chuck Cheshire  
President
