On the annual Youth Hunt day, only reservations for youth (under 16) will be issued. General hunting will resume at noon with a lottery to assign any blinds that remain available. Youth participants can remain in their blinds after this time, with their adult observers able to hunt starting at 12:00.

Applications for reservations are free and are due by 4:00 Monday, October 3rd. To apply send an email to Ridgefieldhunt@fws.gov with the following information: Name, Age, Address, Phone

We are again a sponsor and we will have some items to hand out to those kids participating in the Waterfowl Hunt.

In the past we have gotten a fair amount of participants from those that have attended your Youth Pheasant Hunt . We will be putting a hand out together to pass out to those youth that may have an interest.
