Please join us in providing much needed funding for the Kline Kids Fishing Nonprofit (KFN).

On THURSDAY, SEPTEMBER 22nd **100% of YOUR Tax-Deductible DONATION** will be ***matched*** by our partners who are supporting our KFN organization.

*The Community Foundation of SWWA *Give More in 24* annual event*

As you are likely well aware our 501c3 is an all volunteer program! NO paid employees!

Every year during the second Friday in April, we put Special Needs fishers of all ages on the water with a 1:1 Fishing Guide to Participant ratio. We also host

ages on the water with a 1:1 fishing guide-to-participant ratio. We also host school-aged fishers on Saturday at a heavily-stocked Kline Pond. Upwards of 300 volunteers and 15,000 community members attend each year.

In addition to goals of education, recreation, and conservation awareness; KFN serves as a de facto "outdoor school" for City Kids without access to fishing or parents capable of teaching them how. To these same ends KFN also provides tackle, volunteers, and other assistance to 6 or more additional Kids Fishing Events in Clark, Skamania, & Lewis Counties.

As a result we are actively seeking **YOUR** assistance to help us reinvigorate an organization which has become a pillar of the local community.
